MUDA allots 64 sites to GPA representatives

For 5.09 acres of land in Belavatta, sites allotted in Kuvempunagar, Dattagalli and Vijayanagar

Mysuru, Aug. 22 (RK&BCT)- The Mysuru Urban Development Authority (MUDA) officials have been embroiled in a huge scam involving distribution of sites in upscale Mysuru localities under dubious incentive schemes and the controversial 50:50 ratio.

These sites were allocated without acquiring the land or paying compensation, leading to a loss of thousands of crores of rupees. Adding to the fraudulent activity, officials have also unlawfully distributed sites to General Power of Attorney (GPA) representatives, even registering clear title deeds in their names. Several such cases have come to light.

In 2023, on a single day, 64 sites in Kuvempunagar, Dattagalli and Vijayanagar Fourth Stage were sanctioned to five individuals claiming to be heirs of the original land owner. Within just 20 days, the MUDA Commissioner issued allotment letters for all the sites.

HOW IT WAS JUSTIFIED?

Records obtained by *Star of Mysore* reveal that MUDA officers justified the sanction of 64 sites by citing the use of 5.09 acres of land in Survey Number 77 of Belavatta village, Kasaba hobli, Mysuru taluk, by the City Improvement Trust Board (CITB) without following the proper land acquisition process. This land, originally owned by late Mahadev, had been utilised by the CITB without paying compensation, according to officials.

BJP protests against Congress; demands CM's resignation

Hundreds of members of BJP's city and district units staging a demonstration at Gandhi Square in Mysuru this morning.

Mysuru, Aug. 22 (BLU&DM)- The city and district units of BJP staged a demonstration at Gandhi Square here this morning condemning the Congress leaders' comments and unparliamentary remarks against Karnataka Governor Thaawarchand Gehlot for granting sanction to prosecute Chief Minister Siddaramaiah in the MUDA site scam. This protest is part of a Statewide agitation by BJP.

BJP workers, holding placards and raising slogans, accused the Congress of insulting Governor Gehlot, who is a Dalit. They claimed the ruling Congress is entangled in multiple scandals, citing the MUDA scam and the Valmiki Development Corporation scam as recent examples of the Government's corruption.

EDITOR'S BOTTOMLINE

GAYATHRI JAPAM, MOTHER OF ALL MANTRAS: ***Among all the chants and slokas which the devout Hindus follow, Gayathri Mantra is considered to be the mother of all mantras. This pre-eminent mantra has many unique aspects associated with it, said Thirukkudanthai Dr. Venkatesh in a discourse. The Gayathri Mantra is imparted to the young brahmachary as the pinnacle of the upanayanam ceremony. While all mantras are chanted while the chanter is observing*** *upvas,* ***Gayathri Mantra is imparted after the child is fed in a ceremony known as*** *Kumara Bhojanam.* ***This is to establish that the Gayathri Mantra, being the mother of all mantras, cannot behold the child being hungry.***

Another unique feature is that the father transmits the mantra to the child during the initiation, while all other mantras are always imparted by acharyas. The mantra starts with an invocation wherein the supremacy of the paramatma over jivatma is first acknowledged. Then the Lord, the Creator's, omnipresence is recognised as is the fact that He is the controller of all cosmic activity. Then the mantra evokes the luminescence emanating from the Lord and beseeches that light to remove the darkness engulfing the mortal minds. Darkness in this context is all the thoughts of materialistic pursuits and worldly desires which engulf one's mind and prevents the same from realising the presence of the Lord. Chanting the Gayathri Mantra regularly clears one's mind of negativity and undesirable thoughts and focuses the same on the luminescence of the Lord. *—In The Hindu*

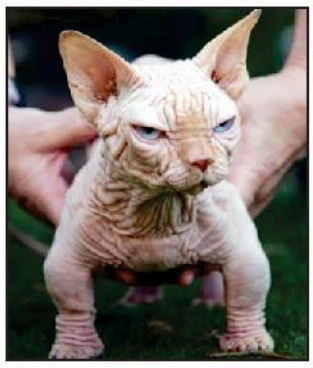
Man sentenced to jail for catching wife cheating

Taipei: A Taiwan Court sentenced a man to three months in prison for invading his adulterous wife's privacy by installing hidden cameras around their home.

Local media recently reported the unusual story of a Taiwanese man surnamed Fan who managed to land himself behind bars for daring to expose his wife's cheating by installing cameras around their home. He installed a camera under the piano in the living room of the family home and another one next to the computer in the master bedroom. About two weeks later, the cameras caught Fan's wife and a mystery man having intimate relations in the family home, footage that the husband later used as grounds for a divorce.

Fan's wife eventually filed a lawsuit against him. The Court sentenced Fan to 3 years in prison for secretly filming other people's private activities without their consent.

Cat breed sparks outrage among animal lovers



New York: Animal lovers and animal rights activists the world over are asking for a boycott of the Bully Cat, a hairless breed becoming increasingly popular among people fascinated by extreme body shapes.

The bully cat is a relatively new feline breed that takes the characteristics of the hairless sphynx to a whole new level while adding other problematic features. This particular hairless breed has stubby short legs and wrinkled skin that animal experts claim is prone to horrifying health problems. Believed to have originated in the US a few years ago, the bully cat quickly became popular particularly in the UK where animal welfare organisations began sounding alarm about the animals being exploited by unscrupulous breeders.

God Sees the Truth, But Sadly Waits...

Sir,

As soon as I returned home, as usual, I picked up *Star of Mysore* and on seeing the headline ***'God Sees the Truth, But Waits'*** I could not wait to read KBG's write-up in his *Abracadabra* column.

I completely agree with KBG's thoughts on justice and one's destiny. The article is timely and let us hope there is timely justice for the victim of brutal rape and murder of a young doctor in Kolkata. This has to be a test case for our judiciary.

I was also probably about 25 when I first read the story by Leo Tolstoy. I was so touched by the heart-wrenching and poignant story that it has remained in my memory for ever.

But I had forgotten the episode where Ivan's wife suspects her husband of murder. Thank you KBG for recalling this most painful episode. What can be more devastating than unfair suspicion, accusation and judgement by one's family member?

May I add that in addition to Food, Clothing and Shelter *(Roti Kapada Aur Makaan)* that everyone considers to be basic necessities of life, we should include **Timely Justice** which is very much lacking in today's world.

Incidentally, Gandhiji was so much inspired by the writings of Tolstoy that he named his ashram in South Africa as Tolstoy Farm.

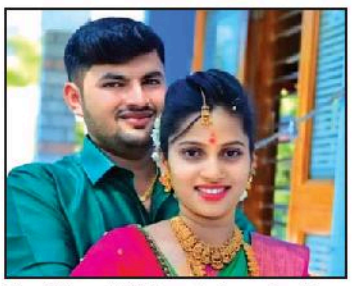
Dowry harassment

Woman hangs self; husband jumps into lake

Mob ransacks house, sets copra godown on fire



Swathi and Mohan in happier time.

***Angry villagers of Bevinahalli and Gaddehosur reportedly ransacked Mohan's house** (pic. left) **and set the copra godown on fire** (pic. right).*

Kikkeri, Aug. 22 (KS)- A 24-year-old woman, unable to bear alleged harassment for dowry, ended her life by hanging self. Her husband, fearing outbursts from his wife's family members and relatives, also allegedly ended his life by jumping into a lake at Gaddehosur village in Mandya district.

While the body of the woman, identified as B.R. Dhanalakshmi alias Swathi, was found hanging, the body of her husband, identified as Mohan, was found in the lake.

As soon as the news of the death of Swathi reached her parents and relatives, a large crowd of villagers, who arrived from Bevinahalli and Gaddehosur, reportedly ransacked Mohan's house and set the copra godown on fire, thus expressing their anger.

Swathi, daughter of Rajegowda of Bevinahalli village, was given in marriage to Mohan, son of Manjegowda of Gaddehosur village two years ago. Manjegowda is a native of Inurhalli village, who had purchased a farm land at Gaddehosur, where he had built a farm house and was residing there with his family.

Swathi and Mohan couple has a 11-month-old baby. The couple was leading a happy life initially until differences in opinions cropped up leading to frequent quarrels. Mohan, who was addicted to cricket betting, had lost a large sum of money resulting in him pestering Swathi to bring money from her parents, it is learnt.

Earlier too, a big fight had taken place following which Swathi's uncle Ravi and Nagesh of Gaddehosur village had advised Mohan to mend his ways and lead a happy life. But on Tuesday, Swathi committed suicide.

Mohan, on hearing that his wife Swathi had committed suicide, ran away from the spot and jumped into the lake which is at a distance and ended his life. His body was found in the lake on Wednesday.

Meanwhile, Swathi's parents, alleging that their daughter was physically tortured and murdered, have lodged a complaint with Kikkeri Police stating that Mohan and his parents were trying to project the death as suicide.

They have stated in the complaint that they had given Mohan 400 grams of gold at the time of marriage besides giving him (Mohan) Rs. 3 lakh cash two months ago. As Swathi had given birth to a girl child, Mohan and his parents were abusing her and were pestering her to bring more money from her parents and held Mohan and his parents responsible for Swathi's death.

On Tuesday, upon learning about the death of Swathi, Rajegowda and his family members went to the farm house at Gaddehosur and the villagers of Bevinahalli and Gaddehosur also arrived at the farm house.

As Mohan and his parents were not present at the farm house, the angry villagers reportedly ransacked the house and set the copra godown on fire.

Kikkeri Police, who rushed to the spot, had a tough time controlling the angry villagers. Mandya Superintendent of Police Mallikarjun Baladandi, Additional SPs C.E. Thimmaiah and Gangadharaiah and Nagamangala Sub-Division Dy.SP A.R. Sumit also rushed to the spot. As the situation had flared up, additional Police force was summoned.

Based on the complaint from Swathi's parents, Kikkeri Police, who have registered a case against Mohan, his father Manjegowda and mother Rathnamma are investigating.

MUDA allots 64 sites to GPA representatives

(Continued from page 1)

As a result, Mahadev's children — M. Ravikumar, M. Raju, M. Mahesh, Sujatha and Kumari, residents of Lashkar Mohalla, Veeranagere and Sri Anjaneya Temple Road — are now entitled for compensation.

To compensate for the 5.09 acres lost, the MUDA Commissioner sanctioned 64 sites developed by MUDA in prime areas such as Kuvempunagar, Dattagalli and Vijayanagar Fourth Stage. These sites were allotted on Aug. 19, 2023, with an official reminder issued by the Commissioner (No. LAQ (6) /CR 49/2022-23).

GPA REGISTRATION A WEEK EARLIER

Once it was confirmed that the sites would be sanctioned to them, M. Ravikumar, M. Raju, M. Mahadev, Sujatha and Kumari executed a document on Aug. 11, 2023, just eight days prior, transferring rights (GPA) to 5.09 acres of land in favour of one M. Basavaraju and one V. Satish. This GPA document was registered at the Mysuru North Sub-Registrar's Office under document number MYN-4-00124-2023-24.

SALE DEED TO GPA REPRESENTATIVES

On Oct. 6, 2023, following MUDA Commissioner's orders, the Special Tahsildar issued a clear sale deed (clear title deed) for site number 2223/A in Kuvempunagar K Block (this is just one example) to GPA representatives — M. Basavaraju, son of K. Mahadevappa and V. Satish, son of M. Venkatashetty. The deed was registered on the same day at the Additional District Registrar's Office within the MUDA office.

It has been revealed that while handing over the sale deed, MUDA officials symbolically collected only Rs. 3,000 from the GPA representatives.

KUVEMPUNAGAR SITES FOR BELAVATTA LAND

In exchange for the land near Belavatta in Mysuru Taluk, the MUDA Commissioner has distributed sites valued in crores of rupees across prestigious Mysuru city neighbourhoods, akin to a heist.

Shockingly, rather than allocating these sites to the original land owners, all 64 sites have been handed over to GPA representatives, complete with title deeds granting full ownership. The boldness of the officials in issuing these deeds is truly astonishing.

Rules stipulate site allocation for original land owners only

Mysuru, Aug. 22 (RK&BCT)- According to the Urban Development Authorities Act - 2009, sites under the 50:50 ratio, incentive scheme or alternative sites must be given only to the original land owners who lost their land or if deceased, their legally authorised heirs. The Act clearly states that GPA representatives or individuals who purchased land from them are not entitled to these sites.

Similarly, the Karnataka Urban Development Authorities (Allotment of Sites in Lieu of Compensation for Land Acquired) (Amendment) Rules, 2015 also stipulate that compensation in the form of sites should be approved only for the original land owners of the land acquired for residential development or land used without following the land acquisition process.

Despite regulations requiring compensation for land to be provided as incentive sites, under the 50:50 ratio, or alternative sites in comparable localities to the original land owners, officials have blatantly disregarded the law. They have illegally allocated sites to GPA representatives, engaging in financial misconduct and personal gain. This underscores the core issue of corruption in the MUDA site allocation scandal.

Mysuru, Aug. 22 (MTY&BS)- People came in droves to catch a glimpse of Dasara elephants at Aranya Bhavan, the Forest Department office complex at Ashokapuram here today.

The first batch of nine elephants led by Howdah elephant Abhimanyu, reached Aranya Bhavan last evening, after the traditional start of their journey from Veeranahosahalli Forest Gate in Nagarahole Tiger Reserve Forest in the morning. They will be camping at Aranya Bhavan till tomorrow.

The elephants were transported in nine separate trucks and reached Aranya Bhavan via Krishnaraja Boulevard Road in city without any hiccup, after arriving here through Hunsur Road, with both the Police and Forest Department officials escorting the trucks. The enthusiastic people who had gathered on either side of the road, captured the moment of elephants mounted on trucks, on their cell phone camera.

The children accompanied by their parents were overjoyed at the sight of gigantic elephants, which were in a relax mood at the ground near the official quarters of Forest Department, within the compound of Aranya Bhavan.

Jumbo menu

In the morning, the jumbos were fed with bunches of leaves of peepal and banyan trees, green grass and dry grass, a mix of paddy, salt and jaggery called *kusare*. They were bathed using pipe water, due to lack of pond facility at Aranya Bhavan.

Food facility is also arranged for mahouts and kavadis accompanying the elephants, with a catering firm entrusted with the job.

Puja at Aranya Bhavan

The elephants will be leaving Aranya Bhavan tomorrow, with Forest Department offering a traditional puja to them between 8 am and 9 am. The elephants will march through Ballal Circle, JLB Road, Ramaswamy Circle, Chamaraja Double Road and Gun House Circle to reach Jayamarthanda Gate of the Palace.

Apart from Abhimanyu, elephants Dhananjaya, Gopi, Bheema, Kanjan, Rohit, Ekalavya, Varalakshmi and Lakshmi have arrived in the first batch.

Ekalavya, the first timer

Ekalavya, who is touted to be an apt replacement for Dasara veteran Arjuna, is also among the first batch of nine Dasara elephants. Arjuna, who had carried the 750-kg Golden Howdah for eight years, died in a operation to catch a rogue elephant at Dabballikatte forest area in Yesalur range, Sakleshpur taluk in Hassan district in December 2023.

Ekalavya, who was captured in a operation in Mudigere forest in 2022 is soft mannered, who remains unperturbed even to the sound of vehicles and fire crackers. The elephant is aged about 39 years, 2.88 metres tall and weighs between 4,000 kg and 4,200 kg. He belongs to Mathigodu elephant camp. Srujan is the mahout and Idayat, the kavadi, who have been taking care of the elephant.

Dasara elephants to enter Palace tomorrow

Mysuru, Aug. 22 (BS)- The first batch of nine Dasara elephants led by howdah carrier Abhimanyu, will be accorded a traditional welcome at Jayamarthanda Gate of Mysore Palace, during the auspicious *Tula Lagna* between 10 am and 10.30 am tomorrow (Aug. 23).

According to Deputy Commissioner G. Lakshmikanth Reddy, who is also the Dasara Special Officer, Chief Minister Siddaramaiah and Union Minister H.D. Kumaraswamy, will grace the occasion, during which Mysuru District Minister Dr. H.C. Mahadevappa, will give a formal start to the ceremony organised by Mysore Palace Board.

Minister for Animal Husbandry and Sericulture K. Venkatesh, Chairman of Jungle Lodges and Resorts Limited Anil Chikkamadu, Chairman of Chamundeshwari Electricity Supply Corporation (CESC) Limited Ramesh Babu Bandisiddegowda and Vice-Chairman of Karnataka State Guarantee Schemes Implementation Authority Dr. Pushpa Amarnath will be present.

Krishnaraja MLA T.S. Srivatsa will preside over the ceremony.

Mysuru and Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar and Chamarajanagar MP Sunil Bose will be the chief guests.

MLAs Tanveer Sait, G.T. Devegowda, D. Ravishankar, G.D. Harish Gowda, Darshan Dhruvanarayan and K. Harishgowda and MLCs A.H. Vishwanath, Madhu G. Madegowda, C.N. Manjegowda, Dr. S. Yathindra, Dr.D. Thimmaiah and K. Vivekananda, MUDA Chairman K. Marigowda and Chairman of Karnataka Exhibition Authority (KEA) Ayub Khan will be the guests.

BJP protests against Congress

(Continued from page 1)

"Chief Minister Siddaramaiah should resign immediately due to his alleged involvement in the MUDA scam. Additionally, the Congress Government should step down over the Valmiki Development Corporation scam, where nearly Rs. 100 crore meant for ST communities was misappropriated under the CM's watch, who also oversees the Finance portfolio," the protesters stated, demanding Siddaramaiah's resignation.

They also criticised the Congress Government for what they see as grave injustice to SC/ST communities by diverting funds. Former Mysuru-Kodagu MP Prathap Simha, who had been absent from party activities, addressed the workers, asserting that the Congress had previously misused Raj Bhavan against former BJP CM B.S. Yediyurappa.

Simha noted that the Raj Bhavan had seemed like a Congress office at the time. He explained that the Governor initially issued a notice to Siddaramaiah based on a private complaint about the MUDA scam but later sanctioned prosecution due to dissatisfaction with the CM's response.

Simha revealed he had informed the CM about the MUDA scam over 45 days ago, but his advice was ignored. "Had the CM heeded my warning, he would have not been in this tense situation. With new revelations emerging daily, CM Siddaramaiah should resign, rather than cling to his position like Delhi CM Arvind Kejriwal, who governs from Tihar Jail," Simha said.

MLA T.S. Srivatsa, State BJP Vice-President M. Rajendra, City BJP President L. Nagendra, District President L.R. Mahadevaswamy, former Mayor Sandesh Swamy and others were present at the protest.

Multi-crore MUDA scam and Siddaramaiah

A forensic investigation by a person like Justice N. Santosh Hegde only can bring out the truth

A case of closing the stable gate after the horses have bolted!

The good news for all the admirers and loyalists of Chief Minister Siddaramaiah is that the High Court, which heard the petition with regard to Mysuru Urban Development Authority (MUDA) sites scam on Aug. 19, has adjourned it for hearing on 29th of this month.

It is very obvious when the MUDA scam broke out first in *Mysuru Mithra* on June 25, 2024, and also in its sister publication *Star of Mysore* the same evening, and thereafter the scam focussed on Siddaramaiah, the bad news spread like wildfire.

CM Siddaramaiah must have thought that in such situations, the offence is the best defence and decided to take on Governor Thaawarchand Gehlot for having issued him a show-cause notice and then for having given permission to prosecute him.

However, it was only a temporary relief for Siddaramaiah. The Damocles' sword will be hanging over his head till the 29th of this month when the Court will give its decision on Siddaramaiah's petition. Siddaramaiah at present is in the waiting room of the Court.

It is possible that Siddaramaiah's political future depends on the decision of the Court. Therefore, no matter how much bravado he displays in public with his denial of involvement in the scam, being a human it is natural, he must be undergoing anxious moments.

It is for that reason he has hired the famous Supreme Court senior advocates **Abhishek Manu Singhvi** and **Kapil Sibal** to argue his case. Probably, he must have thought the senior advocates of Karnataka might not be able to handle his case effectively. Or it could be the choice of Congress High Command.

Now to match these two advocates from Delhi, the respondents in the case, the Special Secretary of the Governor, too drafted the service of well-known legal luminary **Solicitor General of India Tushar Mehta.**

In the circumstances, this legal battle between the giants is going to make legal history in the politics of the country because certain Constitutional issues may also be discussed.

All said and done, Chief Minister Siddaramaiah is neither an ordinary politician nor a common CM we have seen. Ever since he entered politics over four decades ago in the 80s, he has been enjoying political power in one form or the other. **As we know, in the Indian political ecosystem, politicians with a strong caste base have been succeeding in elections as well as in occupying positions of power.** In India, under democracy, he who is born into a major caste is bound to make it good in politics. So it is with Siddaramaiah.

As for Siddaramaiah in his long political journey, he has seen many ups and downs but has never been a loser. This has given him immense self-confidence which is clear in his body language.

It is a fact that he is not only a brave heart among Karnataka politicians but also an uncompromising fighter. Probably, when he became the CM for the second term it must have boosted his ego so much that he never imagined one day he would face this kind of Himalayan challenge. Siddaramaiah's honesty and credibility, no doubt, are dented. Ever since this scam broke out, he has been bragging that there has not been a single black spot in his political career. Now many black spots are visible.

Unfortunately with the present scam, he seems to have scored a self-goal.

The Great MUDA Robbery

It is common knowledge that corruption has been there in government administration in one form or the other. In MUDA (earlier CITB), corruption was there but it was like pick-pocket, not of the present magnitude.

The government's policy of 50:50 ratio, in the matter of compensating the land owner whose land has been acquired by MUDA (giving 50% sites of the developed land as incentive to the land losers instead of money), came into force as per the resolution taken in the MUDA Board Meeting on 20.11.2020. But this Board's resolution had to be approved by the government before MUDA could implement this 50:50 ratio, incentive policy, according to the **present MUDA Chairman K. Marigowda.**

But when the Chairman took charge in March 2024, he found that the MUDA Commissioner has already been issuing sites to land losers under the 50:50 ratio scheme without government's permission which is illegal. So K. Marigowda writes a note to **MUDA Commissioner G.T. Dinesh Kumar** asking him not to allot sites without getting the approval of that resolution from the MUDA Board Meeting and from the government.

However, by this time on 30.12.2021 when there was BJP government, 14 sites under 50:50 ratio were already allotted and given to the wife of CM Siddaramaiah. Likewise many other 'so-called' land losers too were allotted and given possession of sites in old premier layouts like Vijayanagar, Dattagalli, J.P. Nagar, R.T. Nagar, etc. and one P.S. Nataraj (retired Assistant Director (AD), Town Planning, MUDA) had given a complaint to the government. There were other complaints too and the Government Under-Secretary has issued a show-cause notice to the Commissioner. But the Commissioner continued his site allotment-spree without let or hindrance. Even the Mysuru Deputy Commissioner's orders in this regard were ignored. So the loot continued unabated till it blew over when the name of Siddaramaiah's wife popped up and the Opposition made it a huge controversy.

What the future holds for Chief Minister Siddaramaiah, let us wait and watch.—**KBG**

Whatever it be, Siddaramaiah, a man of many decades of political experience, should have foreseen the coming events. When the news of the MUDA sites scam broke out, Siddaramaiah should have seen the smoke and doused the fire. Instead, he began to justify the action taken by MUDA under its 50:50 sites scheme and the allotment of 14 sites in the premium layouts to his wife.

Today, the MUDA scam has assumed a demonic proportion and we are seeing a new scam every day in the news media. The **two former MUDA Commissioners Dr. D.B. Natesh and G.T. Dinesh Kumar are said to be the masterminds.**

Now, let's come to MUDA in particular. From the day **Karnataka Urban Development Authorities (Allotment of sites as compensation for land acquisition) Rules 2009** came into force, the MUDA literally became the private property of the unscrupulous Commissioners. It is alleged they acted in cohort with their political masters.

It is pertinent here to remember that in earlier days, the Commissioners of CITB (City Improvement Trust Board) and MUDA used to be IAS Officers but they were replaced by KAS Officers. Why? The answer is not far to seek when we look at the scams tumbling out of MUDA as in the present case.

It is most unfortunate that MUDA, headed by its Chairman, who is a politician and its Board Members being MLAs, MLCs and other nominated persons, who are to help Mysureans seeking house sites, did not discharge their responsibilities honestly and sincerely. **Instead they have turned MUDA into a cesspool of corruption in nexus with the MUDA Commissioners and Officers.**

In the early days of CITB, now MUDA, the land for the formation of layouts was to be acquired from the farmers by giving compensation in the form of money. Later, due to political pressure, the land loser was given money as compensation and along with it a site after the land was developed. This site is known as the 'land loser's site'.

As years passed by, again due to dirty politics of greed and avarice, the Government decided to allow private individuals or parties to buy land from the land owners and develop layouts subject to terms and conditions laid down by MUDA.

Once this policy was adopted, MUDA lost interest in developing new layouts. As for politicians and officials, they were well looked after by the private players.

However, because MUDA sites cost less compared to the sites sold by private players, the middle and lower class people seeking sites continued to apply to MUDA paying advance amounts.

It is learnt, more than 86,000 people have already registered with MUDA for sites. But, with MUDA not developing any new sites other than the ongoing ones, people waiting for sites are literally left in the lurch.

According to a former Chairman of CITB, D. Madegowda, there could still be a lakh of stray sites in different MUDA layouts. Some of these sites could be the ones that are now being allotted to the 'land losers' by the Commissioners of MUDA under the 50:50 scheme which has led to the present scam.

Since MUDA was not able to compete with the private players in purchasing land for developing layouts, someone hit upon the novel idea of giving the land loser certain number of sites as compensation instead of money.

First, it was decided to give 40 percent of the sites to the land-loser, with MUDA keeping the 60 percent. Later, again for reasons of appeasement of the farmer-land owner, the sharing of sites was capped at the ratio of 50:50. **From now on the loot began, and the great robbery of MUDA land gained momentum which finally got exposed when Chief Minister Siddaramaiah got involved.**

In the beginning, I thought this scam was like any other corruption scam in any Government department. However, when the Chief Minister himself came to be involved in this scam, it gained special importance and the whole country began to take note of it. **It is said, more than Rs. 5,000 crore worth of MUDA sites have been given away under this 50:50 scheme fraudulently.** Now the question is: Can the Government ever be able to get those sites back or recover the value of those sites from those responsible for the loss?

Primarily, two MUDA Commissioners, namely Dr. D.B. Natesh and G.T. Dinesh Kumar, sold these sites under the 50:50 scheme between 2020 and 2024 when B.S. Yediyurappa and Basavaraj Bommai were the Chief Ministers and also during the current tenure of Chief Minister Siddaramaiah.

Recently, I was talking to a former Chairman of MUDA and learnt that the **Commissioner of MUDA is the most powerful man overshadowing the Chairman.** The MUDA Chairman only decides the subject of the meetings, presides over the Board meetings and signs the minutes of the meetings and the resolutions passed. Thereafter, the Commissioner carries out the administration as per the resolutions passed independently. He is the king.

At a press meet last week, **A.H. Vishwanath, MLC**, suggested that Siddaramaiah's wife return all 14 sites to MUDA immediately and later accept the compensation as per the law. This would be appreciated by the people and Siddaramaiah would become a role model of a Chief Minister, he said. A good advice but...!

Whatever it be, there is no clarity in what Siddaramaiah has been telling the media about his alleged involvement in the scam. Surprisingly, right from the beginning not only he has been in a denial mode but has been justifying the allotment of those 14 sites in the premium layout.

At one time, he even said that if MUDA gave him Rs. 62 crore, he would return those 14 sites! This one statement by him has sent a wrong message to the people.

It is significant here to realise that there is a grey area in the dealings of the 3.16 acres of land owned by Siddaramaiah's wife. There are doubts about the manner in which the sale deed related to the land was executed, the manner in which land conversion was made, the way this already converted and developed land was issued RTC as an agricultural land, etc., leading to the very legality of these transactions.

There is also a question about this MUDA scam not being allowed to be discussed in the Assembly. Why?

Finally, in the present MUDA scam, all three political parties are involved. If so, why only target Siddaramaiah and not others who have also benefited under the 50:50 scheme?

MUDA is a quasi-Government organisation and the Government has control over its functioning. Therefore, the scam is a reflection on the inefficiency of the government and the rampant corruption.

The best is for the Government to conduct a forensic investigation into the allegations of corruption, loss of crores of rupees to MUDA and the Government, and misuse of power by MUDA Commissioners from the year 2020 to 2024 by the former Karnataka Lokayukta Justice N. Santosh Hegde.

Letter written by CM's wife to MUDA in 2014 surfaces

Whitener 'clouds' letter's content; Opposition hints at cover-up; Minister says typing error

Bengaluru, Aug. 22 (Agencies)- Amidst the controversy surrounding the grant of 14 sites to Chief Minister Siddaramaiah's wife B.M. Parvathi in lieu of her 3.26-acre land at Kesare that was developed into a layout (Devanur) by the Mysuru Urban Development Authority (MUDA), a 2014 letter written by Parvathi to MUDA has surfaced.

A line in the letter has been erased using a whitener, fuelling speculations.

The Opposition was quick to latch on to the letter alleging that though Parvathi, in her letter, has sought layouts in particular layouts in exchange of her land in Kesare, the letter has been tampered with in a cover-up exercise by applying the whitener.

In this 2014 letter, Parvathi sought alternative land in lieu of her 3.16 acres on which MUDA had formed a layout. "So far, I have not received any compensation from MUDA. Therefore, in lieu of my 3.16 acres, I request the same extent of land (blanked out by whitener) in an equivalent layout formed by MUDA. Or else, my land should be returned," the letter states.

JD(S) on 'X', accused Siddaramaiah of misusing his position to influence the allocation of prime plots in Mysuru. It alleged that Siddaramaiah's claims of not applying for a plot in a desirable location are false, citing the letter as proof. The party demanded Siddaramaiah's resignation, arguing his actions reflect a broader conspiracy to acquire valuable land through corruption.

Siddaramaiah has maintained that his wife did not seek alternative plots in any specific locality. "Our suspicion has grown stronger against Siddaramaiah who has been claiming that his wife didn't seek plots in any specific layout. For us to get answers, Siddaramaiah must resign so that there's an unbiased and transparent investigation," Leader of Opposition R. Ashoka said.

Urban Development Minister Byrathi Suresh said no document was tampered with. "There must have been a typing mistake. She (Parvathi) must have committed an error, which was erased using a whitener," he said, pointing out that erasure did not impact the contextual congruence of the sentence.

Meanwhile, Siddaramaiah has refuted the claims made by JD(S) and said that no document is edited with whitener. The CM also said that the land in question was allotted to his wife when the BJP was in power in the State.

"No document has been edited. I had given a letter to MUDA in 2014 and in 2021. The site allotted was based on a letter given in the year 2020. Maximum BJP and JD(S) leaders are in MUDA. Basavaraj Bommai was the Chief Minister when the site was allotted to my wife. Who is responsible for site allotment?" Siddaramaiah asked.

MUDA scam won't cloud Dasara festival: District Minister

Mysuru, Aug. 22 (MTY&BS)- Social Welfare and District Minister Dr. H.C. Mahadevappa has clarified that the developments related to the alleged Mysuru Urban Development Authority (MUDA) site scam won't have any effect on the forthcoming *Nada Habba* Mysuru Dasara festival, as Chief Minister Siddaramaiah has not committed any wrong.

He was speaking to media persons on the sidelines of the launch of *Gajapayana* at Veeranahosahalli Gate in Nagarahole Tiger Reserve Forest at Hunsur taluk in the district on Wednesday.

Reiterating that Dasara will be celebrated with pomp and gaiety, Minister Dr. Mahadevappa sought to clear the air over the existence of the Government.

"BJP and JD(S) coalition leaders are waiting with bated

breath, anticipating the fall of the Government. This reminds me of the saying — The fox waits for something to fall, but nothing will fall. While there is another saying — Elephant won't stop walking," said Dr. Mahadevappa, chiding the Opposition parties.

CM Siddaramaiah's Government is stable and will complete its five year term in office and let there be no doubt over this, added the Minister.

Amateur Bhavageethe singers showcase talent at 'Geethadhare'

Mysuru, Aug. 22- The Mysore Unit of Karnataka Sugama Sangeetha Parishad had organised a two-day programme 'Geethadhare' for amateur Bhavageethe singers at the Suvarna Karnataka Sambhrama Dasara Exhibition. The event, held on Aug. 17 and 18, was a huge success, attracting a packed crowd.

Mysore Unit President Dr. Nagaraj Bairy presided over the event, which featured 48 amateur singers showcasing their talents. The programme aimed to instill confidence in aspiring amateur light music singers from Mysuru.

MLA T.S. Srivatsa, the chief guest on the first day, praised the meaningful programme, stating that providing a platform to amateur singers has given them confidence. He promised to support the Parishad's future initiatives and suggested inviting renowned music directors in next year's similar programmes.

Journalist Amshi Prasannakumar, the chief guest on the second day, appreciated the Mysore Unit's efforts in organising the programme and providing a platform for amateur singers.

He commended the Unit's leadership under President Nagaraj Bairy, which has attracted 48 amateur singers from different districts to a public platform.

The programme was the result of an audition held on Aug. 11, where 48 singers were selected. Famous poet Jayappa Honnali, judges David Pratibanjali, Prof. A.D. Srinivas, Rajesh Padiyar, Indrani Anantharam and Rashmi Chikmagalur participated in the event.

Ganesh Bhatt (keyboard), Indu Shekhar (tabla), Pradeep (guitar) and Kiran (rhythm pad) ensured the programme's musical success. Ajay Shastri narrated the programme.

Vice-President Gangadharappa, Secretary Siri Balu and PRO N. Bettegowda were present at the event.

The Mysore Unit has successfully organised several programmes, including 'Geetotsava', 'Jogada Siri Belakinalli', 'Sugama Sangeet Kalika Camp' and 'Kaviya Nodi Kavite Heli' since its inception eight months ago.

KSCA Maharaja Trophy T20

Suchith spins Warriors to victory against Tigers

J. Suchith celebrates a wicket taken during the match against Hubli Tigers at Chinnaswamy Stadium in Bengaluru yesterday.

Bengaluru, Aug. 22- Hubli Tigers' four-match winning streak was derailed as they suffered a 56-run loss to Mysore Warriors at the KSCA Maharaja Trophy T20 cricket match played at M. Chinnaswamy Stadium yesterday.

Having put into bat first, Mysore Warriors, helped by skipper Karun Nair's yet another half-century, set Hubli Tigers a target of 166. Later, the Mysore Warriors dismantled Hubli's batting lineup as J. Suchith led the charge (4/14) supported by K. Gowtham (2/22) and Vidyadhar Patil (2/21). The Hubli Tigers were bowled out for just 109 runs, the third lowest total in Maharaja Trophy history.

Batting second, the Hubli Tigers found themselves in trouble with Vidyadhar Patil and K. Gowtham running through the heart of their top order. While Taha (22) blazed away for an 8-ball cameo, he was dismissed by Vidyadhar Patil, who also scalped the wicket of K.L Shrijith (5). Meanwhile Krishnappa Gowtham removed Thippa Reddy (16) and K.P. Karthikeya (6) to leave the Tigers reeling at 52/4 by the end of the first six.

While Manish Pandey (16) came in at number six, the Mysore spinners continued to outfox Hubli's batting as Suchith snapped up Aneeshwar Gautam (8) and Manvanth Kumar (0) in his first over and followed it up with the wicket of Rishi Bopanna (1).

At the 10-over mark, the Hubli Tigers needed 100 runs with Manish Pandey and L.R. Kumar (19) at the crease. The duo managed 26 runs off 39 balls before Suchith struck again, dismissing Manish Pandey and effectively extinguishing Hubli's hopes. Kumar's innings came to an end when he was caught by impact player Deepak Devadiga, followed by K.C. Cariappa's wicket to Manvanth Kumar, as the Tigers were bundled out for 109 in 17 overs.

Earlier in the day, the Hubli Tigers won the toss and opted to bowl putting the Mysore Warriors under pressure as Kumar dismissed opener Karthik CA (1) in the second over.

S.U. Karthik (34) and Karun Nair (66) responded with a vital 61-run partnership. Karthik took the attack to Manvanth Kumar, smashing two sixes and a four in the fifth over. Karun Nair followed up with a flurry of boundaries, hitting two sixes and two fours off Mitrakant Yadav, helping the Warriors reach 52/1 by the end of the powerplay.

In the middle overs, Manvanth Kumar struck in his second spell, removing Karthik in the eighth over. Shortly after, KC Cariappa outfoxed both Samit Dravid (2) and Sumit Kumar (9) in quick succession, while Mitrakant Yadav claimed the wicket of Kishan Bedare (5).

Meanwhile, Karun Nair raced to a 27-ball half-century, featuring four fours and three sixes, guiding the Warriors to 105/4 after 12 overs. Karun Nair's impressive innings came to an end in the 15th over, with Manvanth Kumar picking up his wicket.

As L.R. Kumar returned to the attack, he dismissed Krishnappa Gowtham (5) and J. Suchith (6), while Vidhwath Kaverappa removed Manoj Bhandage (17) in the 19th over to ensure the Mysore Warriors were eventually bowled out for 165 in 19.3 overs.

BRIEF SCORES

Planters seek GST exemption for black pepper, cardamom

The delegation of Codagu Planters Association (CPA) submitting a memorandum to Mysuru-Kodagu MP Yaduveer Wadiyar as BJP leader L.R. Mahadevaswamy looks on.

Hunsur, Aug. 22 (BCT)- A delegation of Codagu Planters Association (CPA) met Mysuru-Kodagu MP Yaduveer Krishnadatta Chamaraja Wadiyar on Aug. 20 during the 109th birth anniversary of former CM Devaraj Urs at Kallahalli, Hunsur.

The CPA presented a memorandum requesting the MP's intervention to secure GST exemption for black pepper and cardamom. The delegation was led by CPA Chairman A. Nanda Belliappa and comprising Vice-Chairman A.A. Chengappa, members K.K. Vishwanath, K.K. Belliappa, Muthu Cariappa, and Secretary C.K. Belliappa.

The CPA's memorandum highlighted that GST authorities have been issuing notices to coffee growers, insisting on GST registration due to the tax on black pepper. They argue that while green pepper is not subject to GST, dried black pepper attracts tax.

The CPA contends that the drying process does not alter the fundamental nature of the produce and should not impact the tax-exempt status of black pepper and cardamom.

This stance is supported by Section 2(7) of the CGST Act 2017, which exempts individuals or Hindu Undivided Families engaged in cultivation by their workers or with the help of family members or hired workers from GST registration.

The CPA also pointed out that imposing GST on black pepper and cardamom is inconsistent with the treatment of similar commodities like paddy and red chillies, which are exempt from GST.

The delegation briefed MP Yaduveer Wadiyar on the issue, who assured them that he would raise the matter with the Union Finance Ministry. A memorandum has also been submitted to the Union Finance Minister and the Finance Secretary through the MP.

WORD OF THE DAY

Ossify

Pronunciation: AH-suh-fye (Verb)
Meaning: In general contexts, something that ossifies becomes hardened or conventional and opposed to change. In medical contexts, something that ossifies (such as cartilage) forms or is transformed into bone.
Origin: The skeletons of mammals originate as soft cartilage that gradually transforms into hard bone; in humans, the process begins in the womb and continues until late adolescence. This bone-building process was given the name ossification in the late 17th century, with the verb ossify following soon after. The words come from the Latin root os, meaning "bone." (Os is also a synonym of bone in scientific contexts.) Both terms have come to refer to figurative types of hardening, such as that of the heart or mind.
Example: "... we all probably need to be better about dealing with the gradual buildup of small annoyances in our lives before they ossify." —Paula Meja, The Atlantic, 11 Apr. 2024

PHRASE OF THE DAY

Pedal to the Metal

Example: "I put the pedal to the metal and finished my essay two days early."
